

CTESCON

CHEMBUR TROMBAY EDUCATION SOCIETY'S

CTES

COLLEGE OF ARCHITECTURE

THE COLLEGE

The CTES College of Architecture in Chembur, Mumbai was established in July 2014 by the Chembur Trombay Education Society, the Chembur Trombay Education Society was formed in 1978, and has been running a College of Arts, Science and Commerce as well as several other disciplines.

It is the first college of architecture in the eastern suburbs.

Course: Bachelor of Architecture (B.Arch)

Master of Architecture : Project Management (M.Arch: PM)

For any individual, birth to death and everything in-between, happens amidst architecture. Architecture is a discipline which has a fine balance among art, technology and social sciences. These three fields combine aesthetics with strength, communication, and issues related to culture, faith, health, education, commerce etc.

Institutes of higher learning are places where leaders of a society, are created. Since architecture deals with all aspects of life, it is the responsibility of architectural education to prepare a person to take up challenges that may come up in their professional life. It is paramount for an institute to provide an intellectual platform to constantly evolve strategies for future needs of a society.

*-Prof. Alka Tawari
Principal, CTESCOA*

CTESCOA provides a diverse platform where the students get an opportunity to absorb information within and beyond the scope of curriculum and one that gives the students an opportunity of wider interaction and exchange of creative and cohesive thought processes.

FACILITIES

Studios

With drafting tables, Stools, Lockers & Audio/Visual facility.

Classrooms

Equipped with chairs, writing boards & Audio/Visual facility.

Computer lab

With over 40 computers equipped with AutoCAD 18, Revit 17, 3DSMax, SketchUp, Photoshop, Microsoft Office 16 & Corel Draw graphics X7 MSP & QGIS

Library

Access with over 1740 books, periodicals e-books & Digital archive of Lectures, Computers and Printer.

Workshops

Used enthusiastically by all students. The machines are used during carpentry and metal upcycling elective for making models and installations.

Material Museum

With a display of architectural and interior building materials, structural members, sanitary fixtures & construction tools.

Playground

Facilities for playing outdoor games like football and cricket on an artificial turf and indoor games in Gymkhana.

Auditorium

With seating capacity of 300.

Amphitheatre

With a seating capacity of 200.

Studios

Library

VISION STATEMENT

1. The CTES College of Architecture aspires to be a Premier Institution in the field of Architectural Education, which will encompass the related disciplines impacting the **Built Environment**.

2. It is a Centre for Excellence in imparting **Skills, Knowledge and Wisdom** to make young Men and Women responsible Professionals in a fast progressing Society. High Standards in Academic pursuits will be strived for, which can be applied in actual practice.

3. There is a focus on **Holistic Understanding** of the Habitat needs of all sections of society, through studying the Social, Cultural, Economic and Environmental characteristics.

4. **Humane and Sustainable Design** is emphasized keeping in mind the Global view on the Environment as well as Local tradition, Climate, Ecology and Economy. The Curriculum incorporates various related and relevant subjects that will go beyond the conventional, and offers a wide choice.

5. It provides a platform for Dialogue between the various related Disciplines and Professionals, National and International, as also between Professionals and the general Public, thus creating greater awareness of the role and importance of the Profession. **Lectures, Seminars, Workshops, Exhibitions and Conferences** is regularly organized for the benefit of the Students as well as the Community.

6. It will be a **Centre for Research, Documentation and Dissemination of Knowledge** of the Built Environment. Public Oriented Projects will be taken up by the Institute.

7. Set in Chembur, with its History and Culture, the School **engages itself with the community** and plays a significant role in the development of a vision for the betterment of the citizens.

ARCHIBRIGADE

Ar. Alka Tawari (B.Arch, M.E. CTM) - Principal
Ar. Anuprita Surve (G. D Arch, M.Des, M.Arch) - Professor
Ar. Tanvee Joshi (B.Arch, M.A Archeology, M.Arch Landscape) - Professor
Ar. Kalyani Salvi (M.Arch, Const. Mgmt) - Professor
Ar. Mitali Hindlekar (M.Arch, Urban Design) - Associate Professor
Ar. Umesh Mallya (M.Arch, Const. Mgmt) - Associate Professor
Ar. Harshada Punde (M.Arch, Urban Conservation) - Associate Professor
Ar. Shweta Parab (M.Arch, Const. Mgmt) - Associate Professor
Ar. Rashmi Pookkottil (M.Arch Landscape) - Associate Professor
Ar. Arun Chopra (PhD, M.E. Geo tech) - Associate Professor
Ar. Sayli Paranjpe (M.Arch, Env. Arch) - Assistant Professor
Ar. Lakshmi Harikumar (M.Arch, Env. Arch) - Assistant Professor
Ar. Pooja Shah (B.Arch, M. A Art & Aesthetics) - Assistant Professor
Ar. Dhaval Ghare (M.Arch, Const. Mgmt) - Assistant Professor
Ar. Shefali Naik (M.Arch, Env. Arch) - Assistant Professor
Ar. Mrunmayigauree Nandgirikar (M.Arch, Landscape) - Assistant Professor
Ar. Prachi Sharma (M.Arch, Architecture Pedagogy) - Assistant Professor
Ar. Awani Sabnis (M.Arch, Const. Mgmt) - Assistant Professor
Ar. Kshitija Bhakare (M.Arch, Urban Conservation) - Assistant Professor
Ar. Alisha Acharya (M.Arch, Urban Conservation) - Assistant Professor
Ar. Manali Ingale (M.Arch, Urban Design) - Assistant Professor
Ar. Rohan Jadhav (B.Arch) - Assistant Professor
Ar. Mallika Keer (M.Arch, Urban Conservation) - Assistant Professor
Ar. Kirti Desai (M.Arch) - Assistant Professor
Ar. Nikhil Sahani (B.Arch) - Assistant Professor
Ar. Samved Pradhan (B.Arch) - Assistant Professor

COURSE STRUCTURE

CTESCOA offers a five year degree programme of Bachelor of Architecture (B.Arch), recognized by the **Council of Architecture (COA)** and the **University of Mumbai**.

The overall course structure is formulated within the framework of the Mumbai University Syllabus. The course is broadly divided into three categories that are interdependent which are:

DESIGN TECHNOLOGY HISTORY AND THEORY

Course Structure

First Year (Semester I & II)

- 01 - Architectural Design
- 02 - Allied Design
- 03 - Architectural Building Construction & Materials
- 04 - Architectural Representation & Detailing

- 05 - Theory & Design of Structures
- 06 - Humanities
- 07 - Environmental Studies
- 08 - College Projects
- 09 - Elective

Second Year (Semester III & IV)

- 01 - Architectural Design
- 02 - Allied Design
- 03 - Architectural Building Construction & Materials
- 04 - Architectural Representation & Detailing
- 05 - Theory & Design of Structures

- 06 - Architectural Building Services
- 07 - Humanities
- 08 - Environmental Studies
- 09 - Architectural Theory
- 10 - College Projects
- 11 - Elective

Third Year (Semester V & VI)

- 01 - Architectural Design
- 02 - Allied Design
- 03 - Architectural Building Construction
- 04 - Architectural Representation & Detailing
- 05 - Theory & Design of Structures

- 06 - Architectural Building Services
- 07 - Humanities
- 08 - Architectural Theory
- 09 - College Projects
- 10 - Elective

Fourth Year (Semester VII & VIII)

- 01 - Architectural Design
- 02 - Allied Design
- 03 - Architectural Building Construction
- 04 - Architectural Representation & Detailing

- 05 - Theory & Design of Structures
- 06 - Architectural Building Services
- 07 - Professional Practice / Training
- 08 - College Projects
- 09 - Elective

Fifth Year (Semester IX & X)

- 01 - Architectural Design
- 02 - Allied Design
- 03 - Architectural Building Construction
- 04 - Theory & Design of Structures
- 05 - Architectural Building Services
- 06 - Architectural Representation & Detailing

- 07 - Environmental Studies
- 08 - Professional Practice
- 09 - Design Dissertation
- 10 - Elective 01
- 11 - Elective 02
- 12 - Advanced Theories

DESIGN

Arc Design studio - progressive discussion

Design model

Design process

Design model

Model for design Jury- final stage of designing

TECHNOLOGY

HISTORY AND THEORY

site visit - CSMVS & outdoor class

mapping timeline in history

Apart from the mandatory courses several extra-curricular courses and activities are offered under Electives and College Projects.

Electives include:

Origami
Street Art
Bonsai
Ceramics

Calligraphy
Metal Upcycling
Carpentry
Revit Architecture
Photography
Set Design

Communication Skills
Architectural Journalism
Const. Management
Heritage Conservation
Barrier free architecture
Resin

We conduct visits under **Discovery of Mumbai (DOM)** as a part of College projects where, the students visit a part of Mumbai and study it in detail. So far we have visited:

Tata mills
Churchgate precinct
Dhobi Ghat
Banganga
Khotachiwadi
Dadar Parsi Colony
D N Road
Chor bazaar
Gilbert hill
Railway heritage

Phoenix mills
Artist Village
Chembur Gaothan
Ranwar Village
Dadar Chawls
Kanheri Caves
Ballard Estate
Pyavaas & fountains
Shivaji Park
Horniman circle

Hindu colony
Bhau Daji Lad Museum
Bhuleshwar
Marine drive precinct
Versova Fishing Village
Chapel Road, Bandra
Lower Parel Mills
Mahalakshmi precinct
Bandra Talao
Colaba Causeway
Haji Ali

We also invite a range of **guest speakers** every month to keep students pumped up which includes eminent architects like:

Prof. Madhav Deobhakta
Ar. Shakti Parmar
Ar. Harshad Bhatia
Ar. Atul Chemburkar
Prof. Pradnya Chauhan
Ar. Martina Spies
Ar. Kishore Pradhan
Ar. Anand Pandit
Ar. Kalhan Mattoo
Ar. Prem Nath
Ar. Ashok Mody
Ar. Arzan Khambatta
Ar. Ashish Ganju
Ar. Rahul Gore
Ar. Shefali Balwani

Ar. Vijay Garg
Prof. Ravi Hazra
Ar. Kamu Iyer
Ar. Sharad Bondale
Prof. Sen Kapadia
Ar. Ravi Sarangan
Ar. Rahul Kadri
Prof. Jaffer AA Khan
Ar. Pronit Nath
Ar. Rujuta Mody
Ar. Rusi Khambatta
Ar. Pinkish Shah
Ar. Jinraj Josphipura
Ar. Sonal Sancheti
Ar. Robert Verrijt

Prof. Akhtar Chauhan
Ar. Sachin Agshikar
Ar. Vikas Dilawari
Ar. Nitin Killawala
Ar. P. K. Das
Ar. Neera Adarkar
Ar. Minaz Ansari
Ar. Himanshu Burte
Ar. Ravindra Punde
Ar. Shivani Singh
Mahendra Kadia
Ar. Shilpa Gore Shah
Ar. Ratan Batliboi
Ar. Kamal Malik

Study tours so far, in India and abroad:

Ahmedabad - Jodhpur - Jaisalmer - Udaipur
Kochi - Thiruvanthapuram - Bengaluru
Delhi - Chandigarh - Agra - Fatehpur Sikri
Nashik & Aurangabad
Kolhapur - Sawantwadi - Goa
Kolkata - Bishnupur - Shantiniketan

Chennai - Pondicherry
Pune - Lonavla
Bijapur - Bidar - Hyderabad
Sri Lanka
Hampi - Bangalore
Amritsar - Delhi - Himachal

We have introduced theme based **virtual tours** since the pandemic

STUDY TOURS

OUTSIDE CLASSROOM

Our students have been participating in various sports competitions in and around Mumbai. Our sports facilities includes a turf pitch for Football and Cricket, and a gymkhana in the campus.

Students life in the campus also comprises of organising Exhibitions and the Annual Festival 'Archinova' and programs for Foundation day.

Other events like Freshers day & Navratri are also organized at CTESCOA.

We have been actively participating in events held by NASA (National Association of Students of Architecture) and have been appreciated for the same.

Football Team

Winners - ARCHITORQUE 2019

Industrial design citation at 61st NASA Zonal held at Surat.

PAINTING - Chembur fest

NSS CAMP - Morbe, Panvel

The scope of knowledge and exposure at CTESCOA extends beyond the academic boundaries and into cultural events, intercollegiate sports, architectural festivals and other opportunities that provide immense networking and learning to develop as a professional in this field of designing.

NASA -students working on industrial design trophy

PAINTING - Chembur fest

EXTRA CURRICULARS

The **amphitheater** designed is the prime space used for outdoor performances and interactive sessions. The students indulged in artistic fervour to paint the background walls and make it a lively space.

Chembur Fest

Students participated in the Chembur festival which happens in February every year. Wall painting done by the students was featured in background for Souled Stores.

16 students of CTESCOA participated in the **NSS rural camp** organized by the NSS unit of Chembur trombay education society's NG Acharya and DK Marathe college. The camp was held at Jila parishad high school in Morbe, Panvel. Students of CTESCOA gave their service of labor towards achieving the higher goal of rural upliftment in our neighboring districts.

STUDENT COUNCIL 2019-20

PAINTING - Amphitheatre wall

Yuvaratna - wall mural

PAINTING - canteen wall

PAINTING - Kalaghoda amphitheatre

Kala Ghoda

The students participated in the Kala Ghoda art festival where they volunteered for the wall paintings.

Yuvaratna - wall mural

Aditya Birla Yuva Ratna is a medium where the students portray their thoughts in the form of murals.

MASTERS IN PROJECT MANAGEMENT (M.ARCH - PM)

CTES College of Architecture in Chembur, Mumbai commenced its M.Arch program in Project Management approved by the University of Mumbai and COA (Council of Architecture), from August, 2019. It is the first college of Architecture in Eastern Suburbs and now it is the only college in Eastern Suburbs providing a masters program. Project Management course focusses on the application of processes, knowledge, skill sets and methods of implementation to achieve the project objectives. It focuses on Planning management, Organization and Communication at all stages from inception to completion of a project.

COURSE STRUCTURE (AS PER MUMBAI UNIVERSITY)

| | | |
|-------------|-----------------|---|
| SEMESTER 01 | CORE SUBJECTS | TH-01 Management Theories- Principles and Practices TH-02 Law - 1 : Legal Frame work for Construction TH-03 Project Planning & Scheduling, Monitoring & Control |
| | STUDIO SUBJECTS | ST-01 Construction Materials And its Management ST-02 Computer Application in Construction Management |

Prof. Santosh Deodhar
M.B.A (Consultancy Practices) - BITS, Pilani

LECTURES AND STUDIO SESSIONS

Regular lectures conducted by experienced faculty members with regular reviews of class work, assignments and projects aims to ensure in-depth understanding of each discipline of the programme.

The programme aims to integrate academics with the industry and by conducting regular site visits and guest lectures, strives to achieve it.

GUEST LECTURES

Special guest lectures and workshops are conducted regularly covering topics related to subjects for the syllabus.

Through the series of guest lectures, professionals including Dr. Sandeep Langar, Ar. Rohit Manudhane, Mr. Yugeen Jain, Mr. Deepak Choksi, Adv. Sadhana Mahashabde were invited to share their expertise with our students exposing them to industry panorama

SITE VISITS

Site visits to construction projects conducted regularly for facilitating experiential learning and better understanding of field practices.

STUDENT ACCOLADES

Rohit Gambhir stood **2nd** in the **Taekwondo competition** in Mumbai University Sports.

Student participants in **CASI MAHA MODEL UNITED NATIONS**, were awarded as following:

Anushka Shet (Batch 2018- 2023): Delegate for New Zealand and Committee - International Conference on Women Awarded - **Best Position Paper**

Salika Zaidi (Batch 2018- 2023): Delegate for India and Committee - Cybersecurity Awarded - **Best Speaker**

Nadiya Siddiqui (Batch 2018- 2023): Delegate for China and Committee - Cybersecurity Awarded - **Best Delegate**

ARCHINOVA 2019 was inaugurated on the 16th of December with House march and cheers, inauguration of annual magazine 'Aavaran', felicitating the sports team for winning **ARCHITORQUE 2019**.

Sahil Baria (Batch 2018- 2023), received a special mention and secured **2nd position** in a 3-day **Online sketching competition** themed 'The New Normal' held in July 2020 by Asmita College of Architecture, Mira Bhayandar, Maharashtra.

Abhinav Satam, Shrishti Rawat, and Umesh Bhosale won the **2nd position** in the **International Art Competition 'MARS CALLING'** organised by Archdais.

Our **NASA** team got shortlisted in the Top 13 entries in round one of the **Mohammad Shaheer Landscape Trophy** in NASA 2020-21. Students and participants Pranay Mulik and Krishn Yadav (Batch 2018- 2023) presented the work in round two online jury sessions.

In the **Annual Nasa Design Competition 2020-21**; two entries from our institute were selected in the Top 100 entries; and one of the entries on the topic 'Redesigning Bandra Terminus: retaining culture in the post pandemic times' received the **Juror's Choice Award**.

CTESCOA student Team '**FREE DESIGN**' got selected as one of the top 10 ideas for incubation at the 'Youth Innovation Challenge'. The students presented their ideas in front of eminent designers at Dosti House, BKC.

Deepak Patel received an **Honorable Mention** in the 05th International Architecture Design Challenge, on the theme 'The Brewed Bar: An Urban Coffee House Design Challenge', in the **Archemello Design Competition**; May- June 2021.

संवाद शृंखला

A series of samvaad was initiated in 2020 with a belief that engaging in dialogue (especially during trying times) enriches thought processes and creates a collective, collaborative and inclusive space.

संवाद शृंखला at CTESCOA is our first step towards creating a dialogue with all the community of students, faculty and professionals and we are humbled and thrilled with the response so far.

SAMVAAD SHRUNKHALA 1.0

8th - 12th June 2020

As a prelude to the commencement of our academic year, we initiated a sequence of interesting and engaging sessions, that spanned over five days

Day 1: The IKIGAI Project - Mr. Harmeet Chawla, Mr. Manoj Anchan

Day 2: Animal Architecture - Ar. Sunanda Satwah

Day 3: Biomimetic Architecture - Ar. Sunanda Satwah

Day 4: Mumbai Floods & Finding Solution With Citizen Participation - Mr. Subhajt Mukherjee

Day 5: Jal Akhyan 1.0 - Narratives on Water Heritage - Ar. Rahul Chemburkar

SAMVAAD SHRUNKHALA 3.0

12th - 13th March, 2021

Day 1- 'Urban Waterscapes – Central India (Bhopal and Jabalpur) – Ar. Savita Raje

Day 2 - 'Pyav Tales, Water Heritage of Mumbai' - Ar. Rahul Chemburkar

SAMVAAD SHRUNKHALA 2.0

3rd - 5th September 2020

In this series of our संवाद शृंखला, we curated three sessions that looked at various narratives on heritage conservation.

Day 1: 'Jal Aakhyaan' - Ar. Rahul Chemburkar

Day 2: 'Conservation and Adaptive Reuse of Heritage Structures' - Ar. Anjali Jadhav

Day 3: 'Challenges in Heritage Conservation' - Prof. Chetan Raikar

SAMVAAD SHRUNKHALA 4.0

2nd - 4th September 2021

Continuing this sequence, we conducted 'संवाद शृंखला ४.०' where we opened the platform to diverse and alluring narratives on water, around the theme of Urban Water Heritage & Spirituality.

Day 1- 'Sacred Architecture and Water : A Spiritual Connect' - Ar. Rahul Chemburkar

Day 2 - 'Waterscapes of Braj' - Ar. Savita Raje

Day 3- 'Measured Memory and Constructed Imagination : The idea and practice of Indian Temple Architecture' - Prof. S. Jayachandran

Our Principal Prof. Ar. Alka Tawari, was invited as a jury member in the MASA Convention 2021, The research Journal of MASA on the Theme : Beauty the soul of Architecture. She was also one of the reviewer for the papers received under the theme "Resilience in the era of Change" as a part of the International Conference on 'Blurred Boundaries: In search of an Identity' organised by SMEF's Brick School of Architecture, Pune

Sunanda Satwah (Assoc. Prof.), was invited as a juror in the Archiol International Competition 2021 for designers and design students, on theme HOME 2121. Her essay was published in Sensory Architecture_2021, a collection of 28 essays from authors around the world. She also presented an academic paper in the International (online) Conference of PLEA hosted by University of A Coruna, Spain, on 1st September 2020 on the topic of 'Biomimicking Trees: Water Transportation in Buildings' and presented paper at the International Seminar on Vernacular Settlements ISVS-10 in Feb. 2021. She has been a reviewer for the GIRI Green Rating for PWD – Maharashtra, a Copyright author and a Translator for e-course by IIT Roorkee.

Pooja Shah (Asst. Prof.), presented a paper titled "Processing Beauty" at the MASA Convention 2021, and received the mention of "Most Appreciated Paper", also selected in the Best Four Category.

Nisha Kunder (Asst. Prof.), won the International Essay Competition 2020 for teachers in schools of architecture organized by Council of Architecture (COA); on "Rethinking the Urban- Reviving common property regime by way of socio- spatial arbitration".

Harshada Punde (Assoc. Prof.) presented a paper in the International Conference on Urban Conservation

Sayali Paranjape (Asst. Prof.) presented papers in the International Seminar on Vernacular Settlements ISVS-10 in Feb. 2021

Lakshmi Harikumar (Asst. Prof.) presented a paper at the PLEA (Passive & Low Energy Architecture) Conference held on Dec 10-12th 2018, at the Chinese University of Hong Kong; on the topic " Thermal performance of laterite quarry scrap - an alternative material for Konkan region, India."

Towards a Greener Built Environment

CTES COA joined hands with ASSOCHAM GEM on 14th December 2020, and introduced the GEM Green Building Certification Program. Introductory session was on 22nd January 2021, by key speaker Mr. Neeraj Arora; Sr. Director and Head, GEM Green Building Certification Program.

CTES COA co-partnered with CII - IGBC (Indian Green Building Council) to launch the 'IGBC Student Council' in our college, on 16th June 2021, to inspire, instill and imbibe 'Green' approach for a sustainable tomorrow.

In collaboration with **Fab Biennale's Third School of Design**, CTESCOA was one of the 6 prestigious schools in Mumbai to present their work in an exhibition conducted from 10th Dec 2018 to 11th Jan, 2019.

The theme of FAB Biennale was 'OPEN', and all the student ideas and interpretations came to be expressed through an on campus installation. To represent these ideas and their interpretations by students, an installation was designed - that looked at variables of a process that evolve through a continuous re-interpretation of the syllabus or design brief or any given brief or problem and how the remaining subjects become attachments in creating the final form or in designing of the solution.

IGBC Accredited Professionals (IGBC-AP)

The following 8 ex-students wrote the IGBC (Indian Green Building Council) Exam and on passing became IGBC Accredited Professionals (IGBC-AP).

The tools to write the exam are taught to students as part of Semester 09 EVS program.

Semtika Maurya, Nikhil Devkar, Aditya Rane, Shreyash Gupta, Aditya Agarkar, Pratyusha Sabnis, Hardika Saparia, Kimaya Hule

Nikhil Devkar also became a GEM - AP

Mrunmayee Pawar (B.Arch, Batch '21) won the **best paper award B. Arch Category** for her topic: "Reminiscing the Art and Heritage of the City" at National Students Conference - Research in Architecture, organized by D.Y. Patil College of Architecture, Lohegaon in association with MASA.

Paper Published:

Rachit Joshi (B.Arch, Batch '21) topic: "Virtual Creation: A Science Interacting with the Real world without Altering Reality"

Paper Published:

Pratha Kanpara (B.Arch, Batch '21) topic: "Entwined: A Textile Innovation Hub"

Vishakha Gangar, (B.Arch, Batch '21) **published** two of her papers at **Harvard Economic Review** on the topics "Intersection and Overlap of unreasoning, blind faith and superstition - India Yesterday and today through the eyes of Satyajit Ray" (year 2021); and "The Cost of Incognizance: How Loneliness Affects Productivity" (year 2020).

Prathana Patel (B.Arch, Batch '20) presented her thesis at Zone 3 of the **National Awards for excellence in Architectural Thesis 2020** organized by the Council of Architecture.

Pallavi Pathak (M.Arch Batch '21) secured **1st rank in M. Arch Sem 2** Mumbai University. Paper published on topic: "Heritage management plan for the revitalization of a Wada and its precinct - the Saraf bazaar of old Nashik with respect to cost analysis."

Shrutika Keluskar (M.Arch Batch '21) won the **best paper award M. Arch Category** for her topic: "Ubiquitous city services for Bio Medical Waste Management Systems in Thane district" at National Students Conference - Research in Architecture, organized by D.Y.
